Dear Mr. Thomas:

This is to notify you that Allan Industries has received Mr. Bruce Smith's letter of July 13, 1988.

We are aware of the steering committee and Mr. Schneider's participation. He has kept me informed of the circumstances surrounding the Tonolli site so I may be able to keep our association informed.

Allan Industries agrees to participate with the steering committee to review all options as described in Mr. Smith's letter. We would first require copies of any and all transactions between Allan Industries and Tonolli Inc. to verify the waste contribution calculated for Allan Industries.

Sincerely,
ALLAN INDUSTRIES

Richard J. Allan
